

ALPHABET COOKIE LETTER PRACTICE

Ages: 2+

Book: Tough Cookie

Directions:

Option 1: Cut out all of the cookies and have your littles clothespin or tape the letter to an item that starts with the same letter so that they can practice letters, sounds, pinning and/or taping.

Option 2: Laminate this sheet and use playdough to create new "cookies" over the letters by forming it into the letters shapes.

Option 3: Cut out the letters and play "Letter Search" by hiding them around the house!

Option 4: Use each letter as a tag on presents! Example: E on Elle's present.

Option 5: Separate the capitals and lower case letters and have your child match them!

Option 6: Cut each letter into a square. Flip them over so that you can't see the letter and play a matching game by matching the upper case letter with it's lower case.
