

# HOLIDAY CVC WORD PRACTICE

**Ages: 4+**

**Book: A Christmas Stocking Story**

**Directions:**

1. Cut out all of the CVC picture pieces and the directions off of the top of page 1 so you have just the fireplace.

2. Add a picture to the inside of the wreath.

3. Using the stocking letters, create the CVC word that goes with the picture by "hanging" the stockings over the fireplace.

Parents- Follow the cheat sheet for the pictures, just to make sure we get them all right! You can also cut the cards out to make flashcards and practice sight words!

Tip: You can also use this as a rhyming activity by placing 2 rhyming words next to each other!
